For the past six months it's been "back to school" for the adults pictured above and now it's almost over. Adult night classes started last October at County Central High School in a variety of subjects ranging from woodwork, bookkeeping, english, math, dressmaking and typing. Some members of the Tuesday night typing class are shown above as they received instruction from teacher Mrs. Oual Kandt.

Another popular class at adult night courses is that involving women and sewing machines. Above are shown some of the members of the Tuesday night sewing class under direction of Mrs. M. Versluis. This course is also taught Wednesday and Thursday nights with Miss Ross as another instructor. For husbands interested in the good obtained from their weekly baby-sitting chore throughout the winter and other ladies interested in a future course of this nature, open house will be held at the County Central this Saturday night at 8:00 p.m. when the results may be seen on display over a cup of tea.

One of the more studious groups taking adult night classes at County Central High School is shown above boating the books under the watchful eye of instructor Ed Tokarehik. This is the Thursday night bookkeeping and accounting class and the theory is that having successfully passed the exams now being written, students are able to handle a simple set of business records or set up a home bookkeeping system. At any rate a general outline of the principles of bookkeeping and accounting are revealed in the 19 chapters of the text and most students long ago got over the shock of finding this debit and credit business does not always mean what is at first im-

Conference Held At 'Bridge

A very successful Home and School Workshop was conducted by Area Director Mrs. Emma Smith and Lethbridge Home and School Council. This was held at Hamilton Junior High School in Lethbridge Monday evening, March 22, with 96 persons in attendance, representing the south area.

The purpose of this workshop was to give training in executive work and better inform and stimulate all Home and School members.

Mrs. Marie Gallagher, training chairman of AFHS conducted the session on programing. Mrs. Eleanor Anderson, regional director and Mrs. Emma Smith conducted the training of presidents, vice-presidents, secretaries and membership. Mrs. E. Halroyd gave very enlightening information to the group on preparing and presenting resolutions. Resolutions that are passed at conventions,

make up the Home and School policy. She stressed the necessity of good, timely resolutions, properly prepared and presented.

The guest speaker of the evening was Carl B. Johnson, Principal of Lethbridge Junior College. His topic was, The Schools of Tomorrow and the Continual Need of the Home & School Association. Mr. Johnson stated "Home and School must be a group of well-informed people — informed of educational needs. This is a continual study in order that we are constantly aware of the rapidly changing world of learning. Mr.

BIG DEAL

Did you hear about the boy who told his father he had sold his dog for \$50,000? When his father asked him for the \$50,000, he told him he didn't get the cash — he took a trade in of two \$25,000 cats.

Johnson stated that in 20 years, two thirds of what we will buy has yet to be developed. What are we being educated for? We must look to the future. Automation is taking away thousands of jobs, replacing them with a few highly technical ones — what about the leisure time these jobs create? Mr. Johnson seriously advocates study courses for adults. This is becoming more and more necessary. Are we as parents relying too much on the educators and not doing enough ourselves.

In the U.S.A. 4% of the adults go to school for one course or a part of a year. In Canada it is less than this. This is not good, says Mr. Johnson. In this world of changing society one must prepare to take some schooling all of their life.

The evening was one of stimulation and information to all present.

The results of a winter of rehearsal by the Vulcan County Band will be heard this Saturday night at Mossleigh where the band will play its first concert of the Spring season. The program begins at 9 o'clock at the community hall and will feature soloists, march and concert selections and a varied musical program under direction of bandmaster Arthur Dec.

Many members of the senior band attended the band workshop held in Calgary two weeks ago and benefitted greatly from the experience. Several local players were chosen to play in the senior of the five bands which underwent the two days of training.

Band chocolate bars are again located at various stores around town and it is hoped these will all be sold soon providing additional revenue for the band.

Dates set for the concert of the junior band is May 1, while preparations are being made to hold the spring concert for the senior band here at Vulcan on June 5.

SMOKERS CONTRIBUTE

There are more than 80,000 fires reported in Canada each year, and three-quarters of all fires are residential; smoker's carelessness is the largest single source of fires, causing more than a third but faulty use of electrical appliances and wiring ranks second as the cause of fires and first in property losses.

"Emergency" Efficiently Handled

Mock Disaster Exercise Tests Carmangay Hospital

(By Carmangay Correspondent)

A mock disaster exercise was held under Civil Defence auspices on Wednesday, March 24, at Carmangay. The "accident" setting off the program was a train-school bus collision on the railway crossing, the bus returning from County Central High.

On arriving at the school 23 casualties for the simulated accident were made up by an expert staff headed by B. A. Snider, Calgary Chief Instructor and Mrs. Lillian Cooper, Calgary assistant Chief Instructor of Casualty Simulations. Cases involved fractured limbs, intestinal injuries, lacerations, contusions, burns and others in various degrees.

The entire program was under the direction of Little Bow Hospital Administrator, Mrs. Rhoda Minty and Co-ordinator of Emergency Measures for the Village of Carmangay, Syd Thompson.

Casualties including stretcher cases were moved to the hospital by private station wagons which were pressed into service, the first arriving at 7:30 p.m.

The entire hospital staff and outside help were called in and the cases were sorted and handled in a most efficient manner by Dr. R. Hwozdecki and the staff.

Assistance was given by members of the Lions Club, Boy Scouts, Hospital Auxiliary and Walt Middleton, amateur radio operator, who set up a two-way radio communication between the hospital and the school. Pictures of the

happenings were taken by Jim Minty and E. Brinton.

The accident didn't happen but it could have. The disaster exercise was conducted by the staff of the hospital to test its ability to handle such an emergency — and it proved that it could.

After the hour-long event a review of the exercise was conducted in the United Church basement, where a welfare centre was set up. A. W. Ulrich, Chairman, chairman of the hospital board, opened with a commentary on the mock disaster. He welcomed Rev. B. Fyke for his interest, then called on Dr. Robert Duncan director of emergency health services for Alberta, of Edmonton. Dr. Duncan commended the hospital staff and said that the exercise was handled very well and it proved that the hospital was well supported by the entire community. He thanked everyone for their wholehearted support.

There were guests from Vulcan and Picture Butte hospitals to view the exercise.

Mr. Ulrich closed by expressing his thanks on behalf of all for the wonderful co-operation the hospital received from the community.

A film was conducted by W. L. Boddy, Health Supplies Officer for Emergency Measures Organization, Edmonton.

Coffee was served by hospital auxiliary members and helpers; auxiliary also served supper to the school children and make-up artists at the school.

SPRAY FOR LICE TWICE A YEAR

Cattle lice do not present problems only during the winter. After studying the fluctuations of lice populations on cattle over a three to four year period, Dr. W. O. Haufe, of the Lethbridge Research Station has found that some animals are more susceptible to lice than others. They may suffer from a peak lice population anytime.

Dr. Haufe also found that some animals in the herd act as carriers of lice. They may not suffer from them but act as a source of infection for the rest of the herd. Therefore he suggests the herd should be sprayed twice a year for lice — in the spring to clean up the lice population on the carriers and again in the fall to prevent a build-up of lice during the coldest winter weather.

Lice are not usually a problem on well housed, well fed cattle says Dr. Haufe. Cattle suffer most from lice when there are extreme fluctuations in the weather, and when they are poorly fed. Lice have a general debilitating effect not noticeable from outward appearances. They lower the animals resistance to disease and cold weather.

Dr. Haufe says that the very susceptible animals have no natural resistance to keep the lice population under control. Therefore they may suffer from a sudden increase in lice anytime. The build-up of lice is followed by anemia. In two to three weeks the outward symptoms appear; baleness around the eyes, etc. and a sudden drop in body weight. If the animal is not treated for lice during this critical period it will probably die from anoxia, a condition of low oxygen level in the blood.

Dr. Haufe thinks the greater susceptibility of some cattle to lice is genetic. So far it has shown up only in purebred animals. But the evidence is not conclusive, he says, because there has been no statistical comparison between cross-breeds and purebreds.

CLERICS' CORNER

This week's contributor: Rev. Laurie E. Hale
Pentecostal Tabernacle

Over a century and a quarter ago the national hymn "America" was born. Written by Samuel Francis Smith, a Baptist Clergyman, it was first publicly sung in Boston at a fourth of July celebration. It has since sung itself into the hearts of free men everywhere. The author was only 24 years of

age when he wrote the verses substantially as they stand today. Not every author lives to see his work approved, but this one did. "I have heard it sung in many languages," he said, "more than halfway around the world, the last in Hebrew."

Oliver Holmes, Harvard classmate of Smith, attributes the genius in "America" to its very first word "My," a personal possessive which instantly strikes a silver chord in every patriot's heart.

"MY country, 'tis of thee."

"That little pronoun did it all, and will forever do it," said Holmes. "Why couldn't any of the rest of us have thought of that? Because of it Sam Smith will live when Longfellow and Whittier and all the rest of us have gone into oblivion."

Holmes was close to a great truth. God is like that. There are many people who know Him only in a remote, objective, impersonal sense. They acknowledge Him as Creator, and admit that the world offers abundant proof of a Master Workman. But they have never acquainted themselves with Him so they can say, MY God."

Such relationships are by no means unusual. There was doubting Thomas (John 20: 25-28). He had sat at the feet of Jesus, listened to His marvelous words, witnessed His miraculous works; yet he did not really know Him. For when the Saviour was raised from the dead, he said, "Except I shall see in His hands the print of the nails, . . . I will not believe." Jesus urged, "Behold my hands, . . . be not faithless, but believing." Convinced, the doubter exclaimed, "MY Lord and MY God."

What does it matter though the world be filled with gold, if none of it belongs to you? What though all your friends enjoy abounding health if yours be gone? What though God fills all the world with His Spirit, if you possess Him not? The glorious truth is, you can make Christ yours — a personal, priceless eternal possession. The promise is "As many as received Him, to them gave He power to become the sons of God" (John 1: 12). Focus the telescope of faith, and the distant God will brought near. Believe, accept, obey. Then you can sing from your heart, "My Jesus I love Thee, I know Thou art mine."

"Those Golden Years," Enjoyed By Many

Some of the glitter of Those Golden Years, was recaptured for an evening when a vaudeville show was presented on the stage of the Carmangay Community Hall on Friday, March 26, sponsored by the Carmangay Lions Club.

The early days of vaudeville were recalled and the master of ceremonies mentioned some of the show business greats who got their start in vaudeville. From the opening chorus, There's No Business Like Show Business, sung by the Golden Years Chorus down to the closing number, Give My Regards To Broadway, the show kept moving at a snappy pace. Music from the early 1900's right up to the 1965 hit parade was featured by the chorus and guest artists with special attention being given to the music of both World Wars. Every act was well received and added variety to the show.

Besides the Golden Years Chorus which sang medleys from the different eras and soloists and duets, there was a magic act, animal act, family acts, song and dance routines and folk singers. Judging from the applause every act was a success.

Appearing in the show were The Hummels and Theresa Griffin from Champion; Jake the Magician from Vulcan; The Poor Little Lambs from Barons; Folk singers— Linda Fox, Colleen Cole and Phil Skriver from Lethbridge. From Carmangay featured performers were Verna and Marilyn Baldwin, soloists, who also teamed up for a cute arrangement, Everybody Loves A Lover.

The Old Gray Mare also did a dance routine with Verna Baldwin as the head and Marilyn Baldwin bringing up the rear of the horse. The animal trainer Schmalzie Burns was played by Shirley Burns who really put the Old Gray Mare through her paces to the delight of the children in the audience. Myrna Minty performed songs and a dance routine. Patricia Ewing, Lorne Smith, Ken Miller, Ethel Nelson, Eleanor McLeod and Syd Thompson were vocal soloists.

The versatile David Shearer acted as master of ceremonies and also appeared on the program with his trumpet, singing and playing. How Ya Gonna Keep 'Em Down On The Farm, and later playing, Bless This House, accompanied by Mrs. Lenora Baldwin on the piano.

Opening the 1920's and 30's portion of the show was Lenora Baldwin playing the peppy, Maple Leaf Rag. Jake the Magician thrilled his audience and was greatly appreciated, the magician was Dr. Allan Tompkins, his assistant was Sandra Kryzanowski.

Members of the Golden Years Chorus were Syd Thompson, Adolph Shumaker, Calvin Seebeck, Hugh Berry, Harold Lehto, Lorne Smith, Ken Miller, Audrey Baldwin, Betty Kryzanowski, Ethel Nelson, Ruth Shumaker, Jean Berry, Mildred Lehto, Eleanor McLeod, Verna Baldwin, Marilyn Baldwin, Hazel Kananen, Grace Mary Seebeck, Myrna Minty, Yvonne Nelson, Shirley Burns and Barbara Hwozdecki. Mac Baldwin was on the banjo.

Lions President Jervis Brownell presented a bouquet of roses and carnations to the director, Mrs. Barbara Hwozdecki and thanked her for her work in organizing and directing the show. Mrs. Lenora Baldwin deserves a big round of applause for the terrific job she did on piano, both as soloist and accompanist.

A dance followed the program, with music supplied by Dave Shearer's Orchestra.

Letters To Editor

A letter to the editor, registering a protest about snow-blocked sidewalks at Peter Dawson Lodge, has been received but cannot be printed because it is unsigned. Use of a pen-name is permissible in letters to the editor, but such letters must be signed by the writer. Where it is desired to use a pen-name, identity of the letter writer will not be divulged.

We welcome letters to the editor, but this rule must be observed.

Sales Pitches By Phone

Although the practice is more prevalent in the cities, rural and town residents also suffer the annoyance at times of firms or individuals trying to sell goods or services by way of telephone calls.

The latest sales pitch, operating in both Calgary and Lethbridge according to reports, is a sweet feminine voice that asks how many people in the household are smokers and offers four "free" magazines for the information. The catch in the deal is that there is a delivery charge of 35 cents a week for the "free" magazines, and the four magazines offered can be subscribed to through any subscription agent for less than the 35 cents a week.

Unfortunately, such sales pitches by telephone are quite legal and it's up to the recipients of such calls to determine the value of the goods or services offered and act accordingly.

Smorgasbord Supper For W.I.

On Monday evening, March 22, 17 members of the Kirkcaldy Women's Institute entertained their husbands or friends at a smorgasbord supper in the Kirkcaldy Hall. After the delicious meal at which everyone ate heartily, a short program was enjoyed. Miss Nettie Ware very capably entertained with two recitations and a humorous poem entitled Our Husbands Lament, written by Mrs. Evan Munro was read.

Bridge and whist were played until lunch was served to conclude the evening. The lucky draw, a leather wallet, was won by Ivan Adams.

HIGH FINANCE

Revenues of the old age security pension fund in the current year are forecast at \$415 million from personal income tax, \$357 million from sales tax and \$128 million from corporation income tax.

(By Ken Houlton)

At this time of year the Agricultural Service Board plans a program for the coming years activities. I am continually meeting farmers who do not know that this program exists or what the benefits could be to them. I am going to write a few articles in the coming weeks to try and explain at least part of this program.

Each year the Alberta Provincial Government pays a grant to the Agricultural Service Board of each Municipal District or County, to be used for the demonstration and development of various Agricultural programs. Last year the County of Vulcan Agricultural Service Board received approximately \$3425.00 in grants from the Provincial Government. In 1965 we are also to receive an additional grant of \$1000 through the Agricultural Rehabilitation Act (ARDA). Of the Provincial Grant around \$1370 goes toward the administration of the Brucellosis program. \$150 is spent on Publicity, such as Notices in the paper as to meetings or announcements, pictures of Service Board projects and anything else we may do to help promote Service Board work. The rest of the Provincial grant and the ARDA grant is divided between Demonstration work, weed control, and Land Reclamation projects such as Regrassing programs, Drainage work etc.

The Service Board also has a tree planter which is for the use of any farmer in the County of Vulcan free of charge. In 1964 we planted 11,780 trees with this planter.

A set of Septic Tank cement forms are also kept by the Board for rent to farmers in the area. These are rented out at \$10 per setting.

A portable cattle squeeze is available to farmers also on a rental basis at \$2.50 per 1/2 day of use.

Arrangements for this equipment can be made at the Service Board office in the County Office.

LIONS HOLD

10th ANNUAL CHARTER NIGHT

The Lomond Lions Club held their 10th Annual Charter Night at the Lomond Community Hall on Friday evening, March 19. The get-together commenced at 6:30 p.m. with refreshments being served. There were 139 present for the delicious turkey and ham banquet, very capably served by the Lomond AYPA members.

The call to order was given by the president, Lion Cliff Schlaht. Invocation by Lion Hirst Goldthorpe, followed by a toast to the queen. The toastmaster for the evening, Lion Fred Walker, was introduced and also the tail-twisters. Lion Fred Walker introduced the guests at the head table, namely the Zone Chairman, Lion Bob Hubka of Carmangay; Deputy District Governor Lion Arnie Hougan and his wife Hazel of Lethbridge; District Governor Herb Berland and his wife Charlotte of Conrad, Mont.; International Coun-

cilor Lion Karl Nutter and his wife Edna of the Coutts-Sweetgrass Club, and also the presidents of the visiting clubs. Civic greetings were presented by Lion Pete Stokes (mayor of Lomond) Lion Floyd Howg had the toast to the ladies and reply was given by Mrs. Oliver Hart.

The Zone Chairman Bob Hubka then introduced the guest speaker of the evening, District Governor Lion Herb Berland who gave a brief but most interesting address. Lion Henry Huff presented the District Governor's wife, Mrs. Herb Berland, with an engraved silver tray on behalf of the club. Mrs. Berland very graciously thanked everyone for the gift.

Nine local Lions were presented with 100% perfect attendance pins and two of them received 5-year-tabs by the District Governor, assisted by the Deputy District Governor and the Zone Chairman.

Lion Doug Walker was in charge of the entertainment. He presented George Stephenson, host of the Calgary Brewery, who provided some very amusing comedy and song. This was followed by dancing to the music of Shearer's Orchestra from Champion. A comedy number from three of the Lions wives, Mrs. Pauline Walker, Mrs. Laverne Schlaht and Mrs. Leona Jones, was enjoyed by all.

A mid-night lunch was served and more dancing concluded a very pleasant evening.

ANOTHER TO FOLLOW

"Why that earthquake was the worst thing I ever experienced," one of the cronies at the lodge was saying to his buddy. "The building shook, the walls swayed, cups and saucers flew . . ."

"Oh golly," murmured a listener, a meek little man. "I'd better go mail that letter my wife gave me last week."

LOMHEIM — INGRAHAM

High River-Arrowwood Interest In Wedding

The Chapel of Central United Church in Calgary was the scene of a candlelight wedding on Saturday, February 6, 1965, when Helen Margaret, only daughter of Mr. and Mrs. Boyden W. Ingraham of Arrowwood, Alta., exchanged marriage vows with Richard Barry Lomheim, second son of Mr. and Mrs. Roy B. Lomheim of High River, Alta. Rev. Dr. N. R. Mercer performed the ceremony.

The altar was decorated with a large basket of white mums and pink gladioli. D. Woodworth was the organist.

Given in marriage by her father the bride was charming in a floor-length gown of white satin peau de soie. Styled with a rounded neckline and long sleeves, the neckline was outlined with Alencon lace applique repeated in a deep panel on the slim line skirt and at the waist. An overskirt and train of peau de soie cascaded from the waist in a trumpet of lace. Her shoulder-length bouffant veil of French tulle was held in place by a cluster of white roses and pearls. She carried her white nurse's bible, topped with a white orchid, and streamers of white satin trimmed with pink roses. Her only ornament was a pearl necklace, the gift of the groom.

The matron of honor, Mrs. Darryl Laycraft and the bridesmaid, Miss Irene Hocking wore identical floor-length dresses of Copenhagen blue peau de soie, styled to match the bride's gown. They wore matching head pieces and carried bouquets of white spray mums and pink sweetheart roses.

Douglas Hall was best man and Darryl Laycraft ushered.

The bride's mother wore a two-piece dress of navy wool tulle in dual tones, with a matching organza hat and white accessories. Her corsage was a white gardenia. The groom's mother wore a silk crepe sheath in royal blue, with matching jacket, black hat and black accessories. Her corsage was of pink sweetheart roses.

During the signing of the register, Mrs. Anita Barker sang "Till Walk Beside You", accompanied by Mr. Woodworth.

Following the ceremony a reception and dinner for 65 guests was held in the Turner Valley Room at the Palliser Hotel. The bride's table was centred with a three-tiered wedding cake, decorated in white and silver and set in white tulle, flanked by tall white candles in silver candleabra. The table flowers were white mums and pink carnations.

Dr. Mercer said grace, Alan Ingraham, brother of the bride, was master of ceremonies, and proposed the toast to the Queen. The toast to the bride was proposed by R. E. Hill and suitably responded to by the groom. Douglas Hall gave the toast to the bridesmaids. Miss Kathleen Knive was in charge of the guest book.

For the wedding trip to Mexico City the bride donned a three piece suit of navy wool crepe with a white hat and gloves. She wore a white orchid corsage.

LETTER TO EDITOR

Editor, The Advocate
Dear Editor:
I have several things I would like to point out or ask questions of the parents of the County of Vulcan No. 2.

1. In answer to a letter to the editor two weeks ago from an enthusiast, the disappointment of not having spectators is bad but not as bad as not being able to play at St. Albert at all. Who made the mistake? It wasn't the basketball players. I understand the same thing happened to the High River team, why should the players lose out?

2. We were told last fall that there would be no basketball league at the Junior High level. I for one was disappointed because I feel the children meet the children from the other schools and then know a few when they go to County Central High for Grade 10. That was alright if there was no league but in February we find out there is a league and a play off on March 6 at Vulcan. Our children played a few games with other schools but the Lomond children didn't even do that. Why couldn't the teams from all the schools in the county be asked to take part in the play offs. At the annual county meeting I was told it is the decision of the individual schools whether they take part in the league or not so remember that next fall, parents!

3. I for one would like to see a semester system for academic subjects at County Central High. Red Deer fought to keep theirs and the whole province supported them when the Provincial Government wanted them to quit the semester system. The Calgary School system is considering trying it at the Grade 12 level. If it was something we didn't want we would have it whether we wanted it or not. The motion was put through at the Annual County Meeting for the School Committee to investigate the possibilities. Come on parents, think it over, have your local organizations make a study of the semester system. You can have speakers, debates, write for information, send your findings, for or against on to the County School Committee.

4. Why do some parents want to do away with the County Home and School?

—Mrs. Myrtle Williams Arrowwood
